### NEW VILLAS IN PARADISE

Moonlight Villa overlooks the Indian Ocean from its cliff top position in Uluwatu on the southwest tip of the Bukit Peninsula. Perched above a steep-sided river gorge, this four-bedroom villa features an abundance of glass walls and windows to maximize the spectacular 360 degree view of the ocean and the plunging cliff-top terrain surrounding it. Accommodation and facilities include four air-conditioned bedrooms with ensuite bathrooms, an open living and dining area with a fully-equipped kitchen, and an upstairs sitting room. There is also a rooftop and entertainment terrace, as well as a very spacious poolside lounge and bar. This holiday villa is complemented by terraced gardens full of flowers, ponds, water features, and a 15-metre swimming pool.
